Residency Proposal

Intended Dates and Duration:

Sponsor

- name of prospective sponsors
- grant deadline dates
- grant notification dates

About your work (3000 max characters)

Describe your artistic practice and fields of research and also where and how you make and present your work. Tell us how you think about your projects, the ways you develop them and who you wish to engage with.

About your residency (3000 max characters)

Let us know your ambitions for this residency, why it would be relevant for your work and how that could add something to your current practice and career.
